# Community Workshop to Provide Feedback on the CT Environmental Justice Screening Tool

This tool is designed to visualize and explain the distribution of potential environmental and health disparities in the communities.

11:00 AM-12:30PM

295 Meridian Street, Groton, CT  
06340 - Council Chambers

24 May 2023

## Join us!

Learn and evaluate the mapping tool and give feedback on how that tool can be beneficial for your community.

### Who is this event for?

City of Groton and Town of Groton department heads, decision-makers, and residents; as well as Southeastern CT organizations with a vested interest in Environmental Justice Communities & Community Resilience Planning.
